

The logo consists of the word "CHAMPION" in a bold, white, sans-serif font, centered within a red rounded rectangular background.

CHAMPION CHAIN LUBE 400 ML

DESCRIPTION :

High quality product based on mineral oil, solvents and a dye. The product is a sticky and water repellent lubricant with great penetrating capacity. A thin film protects the chain against wear and rust.

The product penetrates and lubricates.

Harmless to O-rings.

APPLICATION :

This universal lubricant is suitable for every imaginable application but in specific for the lubrication of chains, gear wheels and cables.

It is also suitable for chains of motorcycles. The lubricant has good penetration into the chain and offers good adhesion, together with good water resistance.

DIRECTION FOR USE :

Clean the chain before use. Shake can before use. Apply an equal thin film of the chainspray. Leave the product to penetrate. Wait approximately 5 minutes before operating the chain. Spraying distance ca 20-30 cm.
