

CHAMPION[®]

CHAMPION BRAKE CLEANER

Removes all stains from drum and disc brakes, as well as oil, tar and grease from linings, shoes, cylinders;

It leaves no residue and prevents shrieking of disc brakes.

It is also a good cleaner for electrical equipment.

Protect all rubber parts during spraying. Spray on the stained parts, leave to dry and if necessary polish with a dry cloth.

CHAMPION SILICON CLEAN

Polishes and revives the colours from plastic and varnish: fairing, seat, dashboard, wheels, mudguards.

Leaves a protective dry shine and repels water and prevents dust and mud from collecting.

Contains silicone: do not use near items ready to be painted.

CHAMPION MULTISPRAY

High-qualified lubricant based on mineral oils and PTFE. It is suitable for the most different purposes :

Lubrication of nylon bearings, chains, brake cables, bolts.

Protects electrical contacts and switch materials against soil, humidity and corrosion.

Resists to seawater and can function between -50°C and 250°C
